Wai Yan Phy Naing holds a PhD in History, with a specialisation in International Affairs and International Regional Studies, from the National Research University – Higher School of Economics in Moscow, Russia. His doctoral dissertation is titled “[The Evolution of Myanmar’s Policy Towards China \(1988–2020\)](#).”

His research interests include History, International Relations, Regional Studies, ASEAN, the dynamics of Myanmar–Russia and Myanmar–China relations and Myanmar Migrants in Thailand. He is currently a Visiting Scholar at the Institute of Modern History, Academia Sinica, where he contributes to a range of research projects on Myanmar.

He also serves in a voluntary capacity as Assistant Editor of the Southeast Asian Media Studies Journal, published by the Southeast Asian Media Studies Association, which further reinforces his expertise as a scholar from the ASEAN region.
