PROFILE

Nwe Nwe Yee (Mya Nandar) is a researcher whose work focuses on international relations, peacebuilding, national security, and socio-economic development. She has more than ten years of professional experience in research, policy analysis, project management, and development programming.

She previously served as an Assistant Researcher with the ASEAN Institute for Peace and Reconciliation (ASEAN-IPR) under the Women in Peace Processes Programme and as a Research Assistant at the Myanmar Institute of Strategic and International Studies (MISIS). In 2023, she authored a paper on geopolitics to commemorate the 10th anniversary of China–Myanmar cooperation in promoting the Belt and Road Initiative and building a China–Myanmar Community with a Shared Future. She founded Social Dream Development Organization in 2017 and now leads its research, humanitarian, and community projects with government and international partners.

Her research interests include National Security, Geopolitics, International Relations, ASEAN Regional Cooperation, Comparative Politics, Human Security, and Economic Development. Her current research focuses on Myanmar's security system and governance to inform policy and sustainable development.

Education

She holds a **Master of Professional Studies in Political Management (2015)**, a **Postgraduate Diploma in Political Management (2013)**, and a **Bachelor of Arts in History (2003)**.
